Experience the history and beauty of this restored 1920's home which was built by the first pediatrician in Asheville. Four bedrooms, four baths and two half baths on 0.994 acres with an unparalleled linear view of the city and multi-layered mountains. This home's southern exposure and large windows, flowing rooms and high ceilings make for a light-filled, beautiful space. Minutes to downtown and within an easy walk to all that north Asheville has to offer. Blocks to the UNCA tailgate market and UNCA OLLI (Osher Lifelong Learning Institute)
